

Adding BdT Menu to Logos 10

It is possible to add the old-style Folio Views library menu to Logos 10. This is helpful for those transitioning from Folio Views. It can also be helpful to anyone who just wants quick access to the Bureau du Traducteur, (BdT) collection of French resources.

The screenshot shows the Logos Bible Software interface. On the left, the sidebar contains various menu items: Home, Library, Search, Bible, Factbook, Documents, Guides / Workflows, Tools, TW Menu, and BdT Menu. The BdT Menu item is highlighted with a red box and has a red arrow pointing to it from the text below. The main workspace displays a "Title Page" for the "Bureau du Traducteur" (Translator's Workplace), featuring its logo and name. Below the title page, a list of resources is shown, also enclosed in a red box. The resources include: Liste de ressources par sujet, Bibles (Colombe, FC, Sem, PDV, LSG, NBS, Retraduction NT algonquin, Retraduction NT kwatay); + Commentaires, + Dictionnaires, + Livres, + Articles spécialisés; - Ressources disponibles pour chaque livre biblique (+ Livres de l'Ancien Testament, + Livres du Nouveau Testament, + Livres deutérocanoniques); and + Ressources d'aide de Bureau du traducteur.

- Step 1 Locate the Logos search box

The screenshot shows the Logos Bible Software interface. A red box highlights the search bar at the top left, which contains the text "Passage or topic". Below the search bar is a navigation menu with items like Home, Library, Search, Bible, Factbook, Documents, Guides / Workflows, Tools, and Drag & drop shortcuts. The main content area displays a search result for "Genesis 11:1". The search bar also shows "Bible" and "Search All Bible Text in All Passages for". The search results include a "Table of Conte..." section with links to Title Page, Contents, Acknowledg..., Genesis, Chapter 1, Chapter 2, and Chapter 3. To the right, the text of Genesis 11:1 is displayed, starting with "11 Now^a the whole earth had one language and the same words. 2 And as people migrated^b from the east they found a plain in the land of Shinar and settled there. 3 And they said^c to each other, ‘Come, let us make bricks and burn them thoroughly.’^d 4 And they had brick for stone and they had tar for mortar. 5 And they said, ‘Come, let us build ourselves a city and a tower whose top reaches to the heavens. And let us make a name for ourselves, lest we be scattered over the face of the whole earth.’"

- Step 2 type “BdT Menu” into the search Box

The screenshot shows the search results for "BdT menu". A red box highlights the search input field at the top, which contains "BdT menu". A red arrow points from the text "Open Bureau du Traducteur Menu" in the search results towards the search input field. The search results are organized into sections: Books, Tools, and Search. The Books section has a single item: "Open Bureau du Traducteur Menu". The Tools section has three items: "Open Factbook to Bet Concept", "Open Factbook to Menu for Romance Trade Book, 2009, by Kaye Dacus", and "Open Factbook to Ryan Abt Person". The Search section has three items: "Search Books for BdT menu" (with "Shift+Enter" keybinding), "Search Bible for BdT menu in The New International Version" (with "Ctrl+Enter" keybinding), and "Search All for BdT menu" (with "Ctrl+Shift+Enter" keybinding).

 - Commentaire biblique contemporain (CBC) [CHM]
 - + Dictionnaires
 - + Livres
 - + Articles spécialisés
 - + Ressources disponibles pour chaque livre biblique
 - + Ressources d'aide de Bureau du traducteur

- Step 4 Click and drag the Bureau du Tracucteur Menu tab to menu side panel where it says Drag & drop shortcuts.

The screenshot shows the Logos software interface. On the left is a sidebar with various icons and labels: Passage or topic, Home, Library, Search, Bible, Factbook, Documents, Guides / Workflows, and Tools. A red box highlights the 'Tools' section. At the bottom of the sidebar, there is a button labeled '+ Drag & drop shortcuts'. To the right of the sidebar is the main workspace. At the top of the workspace, there are tabs for 'NASB95' and 'Exodus 22:12-15'. Below the tabs are three icons: a list icon, a document icon, and a star icon. The main content area displays a 'Table of Conte...' (likely 'Table of Contents') for 'Exodus'. The chapters listed are Chapter 49, Chapter 50, Exodus (with sub-chapters Chapter 1 through Chapter 10), Chapter 5, Chapter 6, and Chapter 7. Chapter 8 is partially visible at the bottom. A mouse cursor is shown hovering over the 'Bureau du Traducteur Menu' icon, which is located next to the 'Chapter 9' link.

- Step 5 The BdT menu shortcut icon will be added to the Logos toolbar

The screenshot shows the Logos software interface with two main windows. The left window is the 'Bible' window, which has a sidebar with various icons and labels: Passage or topic, Home, Library, Search, Bible, Factbook, Documents, Guides / Workflows, Tools, and BdT Menu. The 'BdT Menu' icon is highlighted with a red box. The right window is the 'The New International Version' window, showing the text of Exodus 22:30. The text reads: "your sheep.¹ Let them stay with their mothers for seven days, but give them to me on the eighth day.^m 31 "You are to be my holy people.ⁿ So do not eat the meat of an animal torn by wild beasts;^o throw it to the dogs. **Laws of Justice and Mercy** 23 "Do not spread false reports.^p Do not help a guilty person by being a malicious witness.^q 2 "Do not follow the crowd in doing wrong.

□ Now you can open the BdT menu anytime you want by clicking on the BdT menu icon in the shortcut section of the Logos toolbar
