

Adding BdT Menu to Logos 10

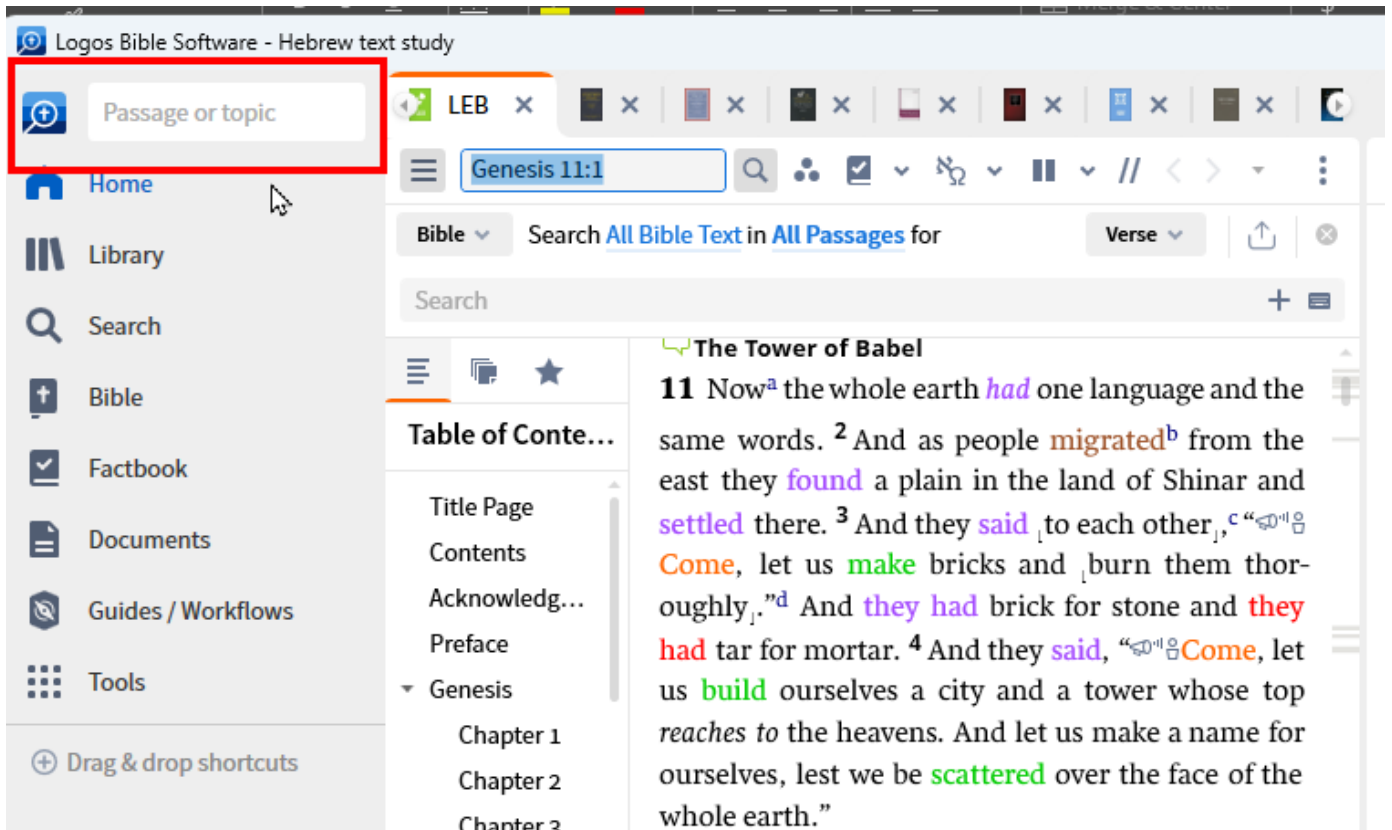

It is possible to add the old-style Folio Views library menu to Logos 10. This is helpful for those transitioning from Folio Views. It can also be helpful to anyone who just wants quick access to the Bureau du Traducteur, (BdT) collection of French resources.

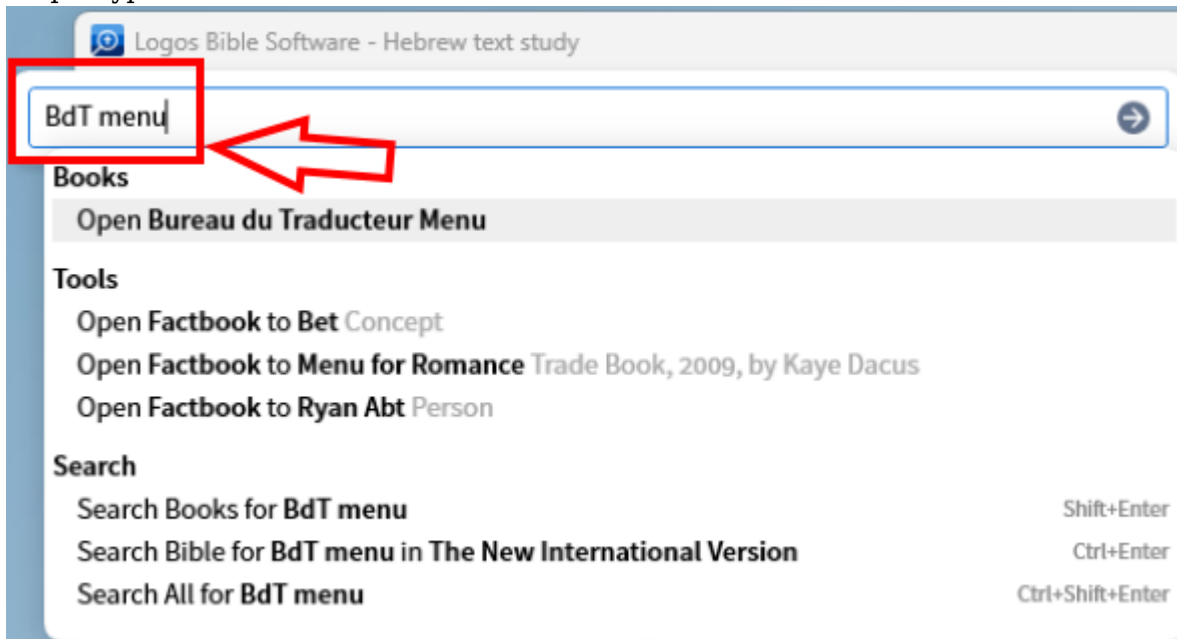

The screenshot shows the Logos Bible Software interface. On the left is a sidebar menu with options: Home, Library, Search, Bible, Factbook, Documents, Guides / Workflows, Tools, TW Menu, and BdT Menu. The 'BdT Menu' option is highlighted with a red box. A red arrow points from this box to the search box at the top of the main window. The search box contains the text 'Passage or topic'. The main window displays the 'Bureau du Traducteur Translator's Workplace' logo, which is also highlighted with a red box. Below the logo is a list of resources:

The image shows a web application interface. On the left is a sidebar menu with the following items: Home, Library, Search, Bible, Factbook, Documents, Guides / Workflows, and Tools. Below these is a section titled 'Drag & drop shortcuts' which contains a small icon labeled 'Bureau du Traducteur Menu'. A red rectangular box highlights this section. A mouse cursor is positioned over the icon, and a tooltip with the text 'Bureau du Traducteur Menu' is visible. On the right side of the screen, there is a browser window titled 'NASB95' showing a page for 'Exodus 22:12-15'. Below the browser window is a 'Table of Contents' section listing chapters from 49 to 10, with 'Exodus' expanded to show chapters 1 through 7.

- Step 5 The BdT menu shortcut icon will be added to the Logos toolbar

The screenshot shows a web browser window with two tabs: 'NASB95' and 'The New International Version'. The address bar shows 'Exodus 22:30'. The main content area displays the text of Exodus 22:30 from the NIV: 'your sheep.¹ Let them stay with their mothers for seven days, but give them to me on the eighth day.^m ³¹“You are to be my holy people.ⁿ So do not eat the meat of an animal torn by wild beasts;^o throw it to the dogs.

On the left side, there is a sidebar with a 'Table of Contents' for Exodus, listing chapters 1 through 10. At the bottom of this sidebar, a 'BdT Menu' icon is highlighted with a red box. The 'BdT Menu' icon is a small blue square with a white 'BdT' logo.

□ Now you can open the BdT menu anytime you want by clicking on the BdT menu icon in the shortcut section of the Logos toolbar
