Scripture App Builder Day 1B

Session 2-3: Scripture App Builder

Review Session 1 for training components

LO:

- Participants will build a hymnbook app using Notepad++.
- Participants will build a storybook app using Notepad++.

Hook:

- Show “Cat Herders” video as a way to encourage getting back from break on time.

Book:

- Use Hymnbook 2.txt to build app. Open in Notepad++, study the SFM markers and add a third song “Happy Birthday to you” and “Amazing Grace” with markers.
- Build Hymn app.
- Participants use Unmerciful Servant for Notepad++ to build app.

Look:

- Build a Hymn app with an additional song “Amazing Grace”
- Build a Bible Story app using the script and pictures from Creation for Notepad++.docx. Put the text into Notepad++ and adding USFM markers.

Took:

- Ticket out the door: What 2 things you learned this morning. What 1 question do you have?
