

## Study a Word Using a Morphology Search

See the module with the title, “Study a Word Using a Reverse Interlinear”, for another way to do a morphology search.

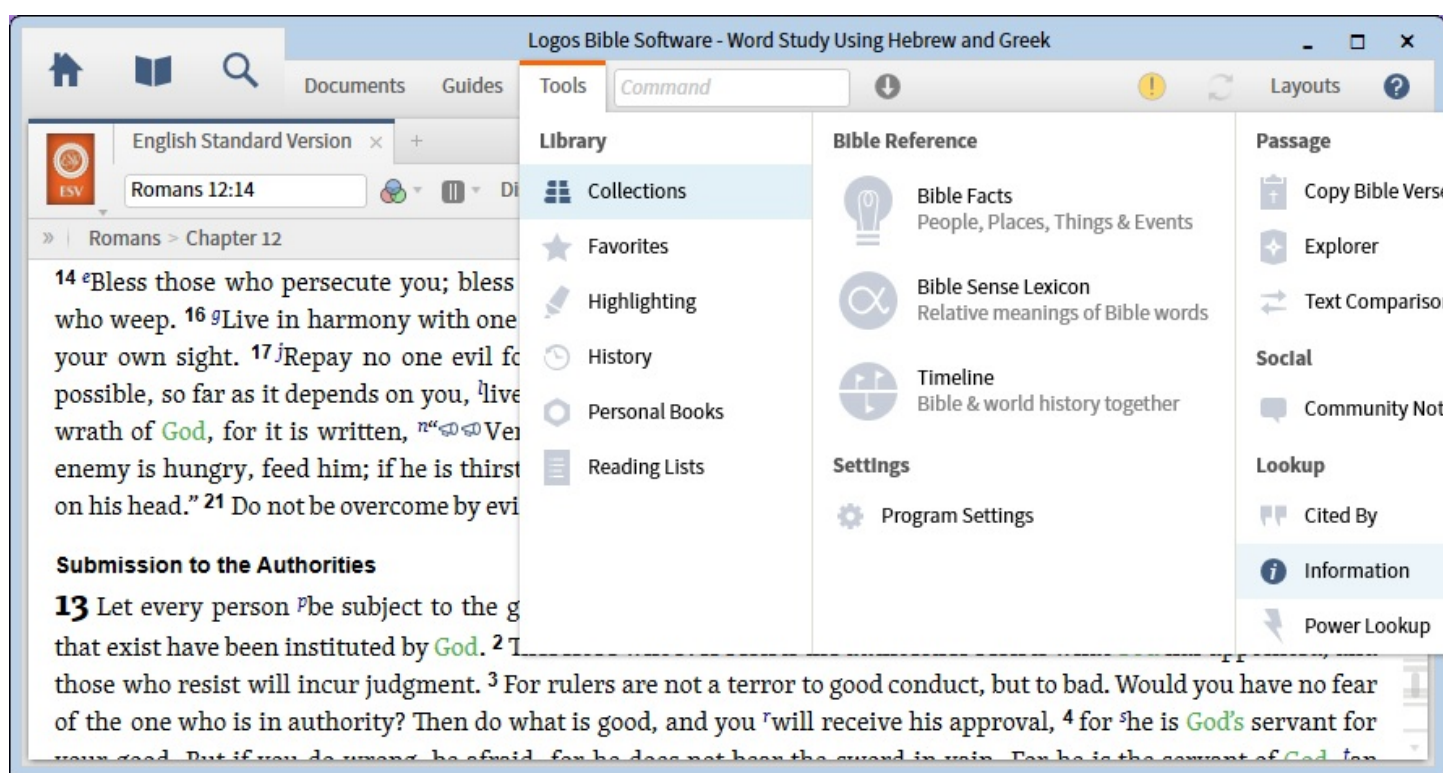

See the module with the title, “Studying English Words Using the Bible Word Study Guide”, to learn how to use the Bible Word Study to study a word.

The form of a word is called its **morphology**. Sometimes you need to know whether a word is singular or plural. Or you may need to know whether the tense of a word is past, present, or future. Or you may need to know other different meanings of a word. Identifying these differences is discovering the **morphology** of a word.

Here are some tools in Logos Bible Software that help you a morphology search.

### Find Information for a Word

Open the *English Standard Version*. Enter the Bible verse *Romans 12:14*. Select **Tools** in the menu. Then select **Information** under **Lookup** in the lower right, as shown here.

A window pane will open to the right, with the title *Information*. Next, move the mouse cursor over the word *Bless*, the first word in verse 14. The details for the word, *Bless*, are displayed in the Information pane, as shown here.

Romans 12:14

Display

Romans > Chapter 12

Article

14 <sup>e</sup>Bless those who persecute you; bless and do not curse them. 15 <sup>f</sup>Rejoice with those who rejoice, weep with those who weep. 16 <sup>g</sup>Live in harmony with one another. <sup>h</sup>Do not be haughty, but associate with the lowly. <sup>i</sup>Never be wise in your own sight. 17 <sup>j</sup>Repay no one evil for evil, but <sup>k</sup>give thought to do what is honorable in the sight of all. 18 If possible, so far as it depends on you, <sup>l</sup>live peaceably with all. 19 Beloved, <sup>m</sup>never avenge yourselves, but leave it <sup>o</sup>to the wrath of God, for it is written, <sup>n</sup>“Vengeance is mine, I will repay, says the Lord.” 20 To the contrary, <sup>o</sup>“if your enemy is hungry, feed him; if he is thirsty, give him something to drink; for by so doing you will heap burning coals on his head.” 21 Do not be overcome by evil, but overcome evil with good.

**Submission to the Authorities**

13 Let every person <sup>p</sup>be subject to the governing authorities. For <sup>q</sup>there is no authority except from God, and those that exist have been instituted by God. 2 Therefore whoever resists the authorities resists what God has appointed, and those who resist will incur judgment. 3 For rulers are not a terror to good conduct, but to bad. Would you have no fear of the one who is in authority? Then do what is good, and you <sup>r</sup>will receive his approval, 4 for <sup>s</sup>he is God’s servant for your good.

**bless** to say or do something good for another (Gen. 12:2–3; Rom. 12:14). In the Old Testament, God promised to bless the Israelites when they were obedient to his law (Deut. 11:26–... GW

**Translated**  
Bless NIV, ESV, NASB95, NRSV, NLT, LEB

Bless  
→ **Church at Rome** — Group of believers who resided and gathered in Rome.  
→ **Romans** — The residents of Rome.

εὐλογέω *eulogeō* to bless  
**33.470** εὐλογέω<sup>b</sup>; εὐλογία<sup>c</sup>, ας f; κατευλογέω: to ask God to bestow divine favor on, with the implication that the verbal act itself constitutes a significant benefit—‘to bless,... Louw-Nida

verb, present, active, imperative, second person, plural

You can see a definition for the word *bless*, followed by ways the word is translated. Note that the Louw-Nida number for this word is identified by the number, 33.470. If you click on “Louw-Nida”, the resource, “Greek-English Lexicon of the New Testament based on Semantic Domains”, will open to 33.470.

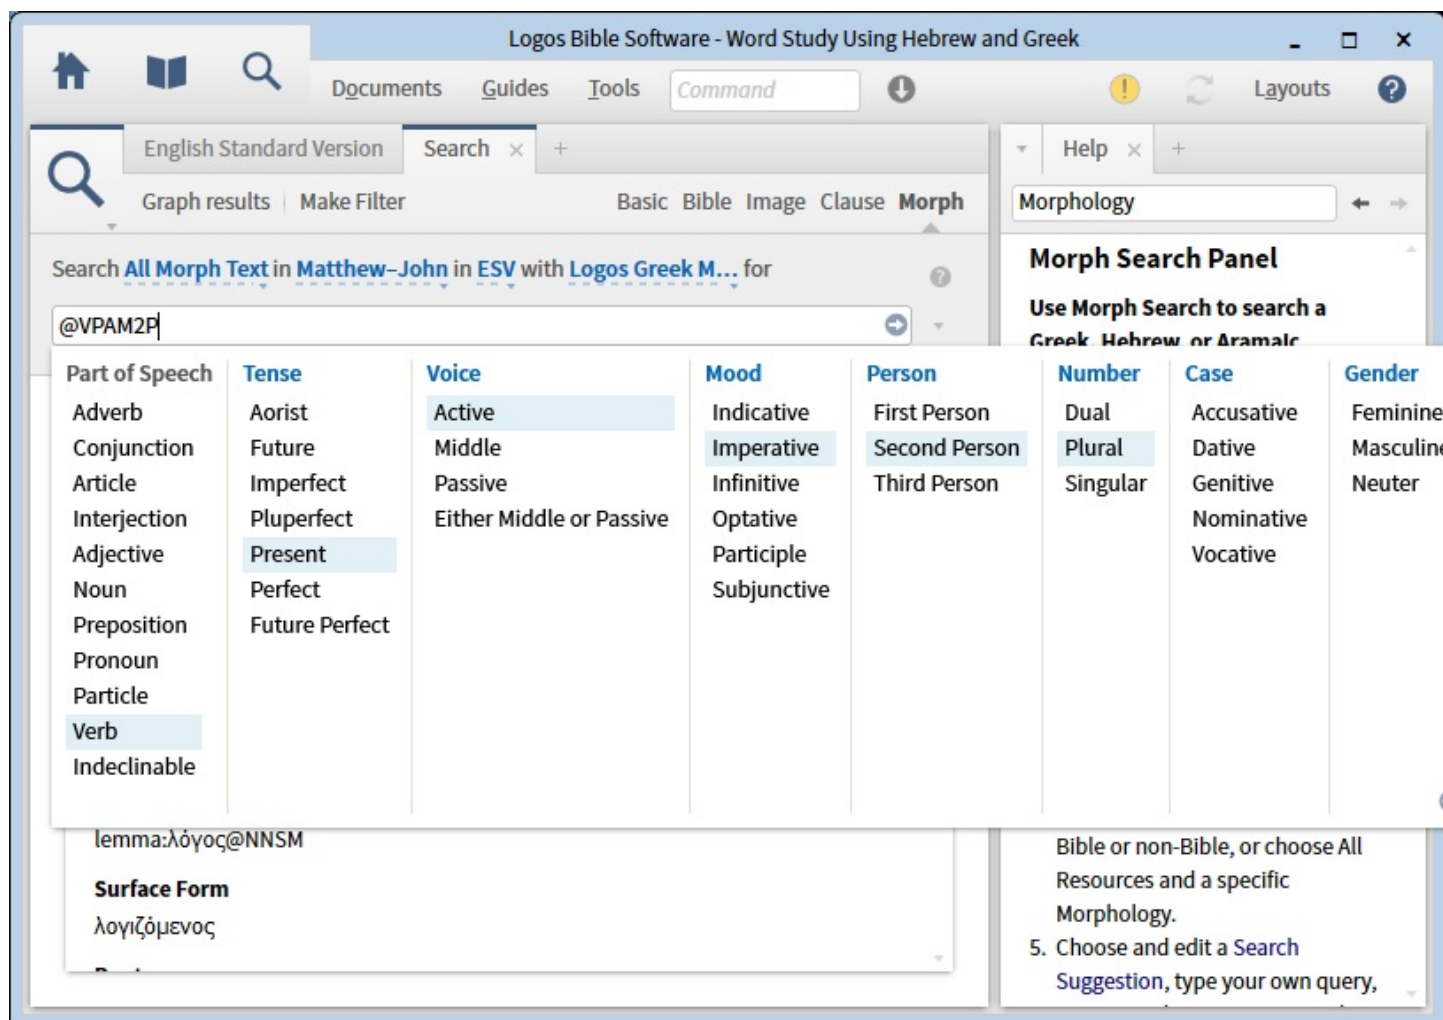

Next the morphology is shown for the word, “bless”, with the following information: “verb, present, active, imperative, second person, plural”. If you scroll down on the Information pane, you will see “Strong’s Greek #2127”. This is followed by “Louw Nida 33.470”, and a list of Bible verses that contain the word “bless” with this particular morphology.

### Specific Morphology Search

Now, let’s assume you want to find all of the verbs that have the same morphology as the word “bless”, as used in Romans 12:14. Right click on the word “Bless”, and you will see the following popup window:

You will see that the part of speech is Verb (V), the tense is Present (P), the voice is Active (A), the mood is Imperative (M), the person is Second Person (2), and the number is Plural (P).

You can change the search string, "Search **All Morph Text** in **Matthew-John** in **ESV** with **Logos Greek M...** for", if you prefer. Each of these bold, blue, short strings can be modified.

Now, if you only want to search the "Surface Text", which is text that is visible using the default view settings, click the box on the left. Also, you can limit the search to just the "Words of Christ".

Now, click on the substring, "Matthew-John". You will see the following dropdown window:

**Matthew–John** in **ESV** with **Logos Greek Mor...** for
