Paratext 7.5 Course 3

Paratext 7.5 Course 3 Description

- The **Paratext 7.5 Course 3** provides additional training in how to use the Paratext software for Bible translation. This course covers using Biblical Terms in Paratext for ***Key Terms***, and how to use the ***Interlinearizer*** for ***Adapting*** and ***Glossing*** translation text.
- See **Necessary Files** below for the ***Course Handbook (PDF***) and ***Practice Project*** for the Paratext 3 Course.

Necessary Files

You will need the following files for the Paratext 3 Course/Handbook. Please see **Installing Practice Projects** for instructions how to setup Practice Projects on your computer.

- **Paratext 7.5 Course 3 Handbook (PDF)**
- **English Practice Project (EPP)**
